Dr. David Crandall
Assistant Professor
School of Informatics and Computing
Indiana University

David Crandall is an Assistant Professor in the School of Informatics and Computing at Indiana University, where he is a member of the programs in Informatics, Computer Science, and Cognitive Science, and of the Center for Complex Networks and Systems Research. He received the Ph.D. in computer science from Cornell University in 2008 and the M.S. and B.S. degrees in computer science and engineering from the Pennsylvania State University in 2001. He was a Postdoctoral Research Associate at Cornell from 2008-2010, and a Senior Research Scientist with Eastman Kodak Company from 2001-2003.
