Dr. Nathan Jacobs
Assistant Professor, Computer Science
Center for Visualization & Virtual Environments
University of Kentucky

Dr. Nathan Jacobs is an Assistant Professor of Computer Science at the University of Kentucky, where he is a member of the Center for Visualization and Virtual Environments. He has a B.S. in Computer Science from the University of Missouri (1999) and a Ph.D. in Computer Science at Washington University in St. Louis (2010). His research area is computer vision, with a focus on algorithms for widely distributed cameras, object tracking, environmental monitoring and surveillance.

4PM, WEDNESDAY, APRIL 10, 2013
Carlson Auditorium, Center for Imaging Science (Bldg. 76)
