NSF Research Experience for Undergraduates (REU) Opportunity
Summer 2011, Dept. Computer Science, RIT (June 1-Aug 15)

Interfaces and Recognition Algorithms for Math Entry
Advisor: Prof. Richard Zanibbi, Stipend: $6400
Interested students please submit a CV with references to: rlaz@cs.rit.edu

The REU student will:
• Carry out usability experiments for math entry interfaces
• Do GUI/recognition algorithm programming in a team
• Test and evaluate recognition algorithms
