

Qualcomm – Camera 3A Engineer

From: "Hung, Bob" <shung@qualcomm.com>

My name is Bob Hung and I am recommended by the RIT alumni to contact you regarding a camera 3A engineer opening here at Qualcomm.

If your current or past students have 3A (auto white balance/exposure control/focus) related experience, please kindly ask them to contact me directly. Thank you so much!

Best wishes,

Bob Hung
