Dr. Poorna Kushalnagar

Research Fellow
University of Rochester

Poorna Kushalnagar is a research fellow on a NIH Institutional Ruth L. Kirschstein National Research Service Award grant at the University of Rochester School of Medicine and Dentistry. She completed her Ph.D. in Developmental Psychology with focus in Developmental Cognitive Neuroscience at the University of Houston. There, she conducted studies on bilingualism and attention at the Laboratory of Neural Bases on Bilingualism. Following completion of her Ph.D., she was awarded a two-year Research Supplement to Promote Diversity in Health-Related Research and Pediatric Research Loan Repayment Award from the National Institute of Health to support her postdoctoral training at the University of Washington. She continues to collaborate as a deaf research consultant for the head camera project in the Cognitive Development Lab at UH, focusing on early bilingualism and attentional learning.

4PM, WEDNESDAY, MARCH 23, 2011
Carlson Auditorium, Center for Imaging Science (Bldg. 76)
