

Dr. Sabine Süsstrunk

Images and Visual
Representation Group

École Polytechnique Fédérale de Lausanne

Prof. Sabine Süsstrunk leads the Images and Visual Representation Group (IVRG) at the School of Information and Communication Sciences at Ecole Polytechnique Fédérale de Lausanne (EPFL) since 1999. Her research interests are in computational photography, color image processing and computer vision, and image quality. She has published more than 100 scientific papers in peer-reviewed international journals and conferences, and holds 6 patents. She was Associate Editor of the IEEE Transactions on Image Processing from 2007-2011, and served as chair or committee member for numerous international conferences on digital photography, color imaging, and image systems engineering. She was Director of the CIE Division 8 (Imaging Technologies) from 2007-2011 and is currently Vice-President for Conferences and Member of the Board of the Society of Imaging Science and Technology (IS&T). She is a Senior Member of IEEE and IS&T.

4PM, WEDNESDAY, NOVEMBER 2, 2011

Carlson Auditorium, Center for Imaging Science (Bldg. 76)
